PENNSAUKEN STAGES

Good evening Theatre Friends and Family,

We are honored to have you in our theatre to celebrate these wonderful young actors and crew members who have worked diligently these past few months on this intense and unique show.

Choosing a show is always a unique experience. Do we choose a “standard” or do we find something new? Should we look for familiar character stereotypes or break boundaries? In true Pennsauken Stages fashion - we went with new and different.

As always, these incredible students have stepped up to incredible challenges. This is not a conversation show - it’s a documentary. There is nowhere to hide. The adrenaline is real. Thank you for supporting these fantastic young actors!
